Miss Bay High

Miss Bay High, Erica Shipp, is the daughter of Ms. Sharon Shipp Walker of Bay St. Louis and Mr. Robert E. Shipp of Chicago. Erica was born in Fort Leonard Wood, Missouri, and has been enrolled in the Bay St. Louis School System for nine years.

For the past four years, Erica has participated in several activities at Bay High. She has been a two-year member of the National Honor Society (11-12 — President), a three-year member of the Yearbook Staff (10, 11, 12 — Co-Editor), a one-year member of the Varsity Quiz Bowl (11, 12). Erica's school spirit has been reflected in her work as manager of the Girls' Basketball and Track Teams (10) and in her cheerleading duties (11, 12). Even though she was already very involved in school activities, Miss Bay High joined the Science Club this year. One of Erica's high school accomplishments includes being on the Honor Roll. When not at school, she enjoys spending time with her friends.

Erica has not yet decided where she will attend college, but she intends to major in accounting or business administration.

Mr. Bay High

Mr. Bay High, Buddy Bourn, is the son of Mr. and Mrs. Jewel H. Bourn, Jr. He has attended school in the Bay St. Louis School System for the past seven years.

Buddy is a very active student on our campus. He is a three-year member of the Varsity Football Team, a one-year member of the Baseball Team, DECA Club, and Bay High Chorus. Buddy is also enlisted in the U.S. National Guard.

Mr. Bay High is obviously well liked by his classmates. He was elected class favorite during his Freshman year and was selected "Friendliest" by the 1989 Senior Class. Buddy is undecided about the college he will attend, but he plans to major in science.

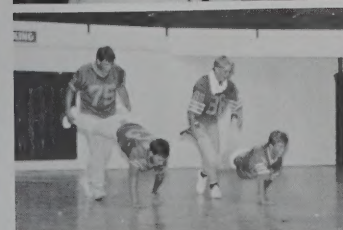

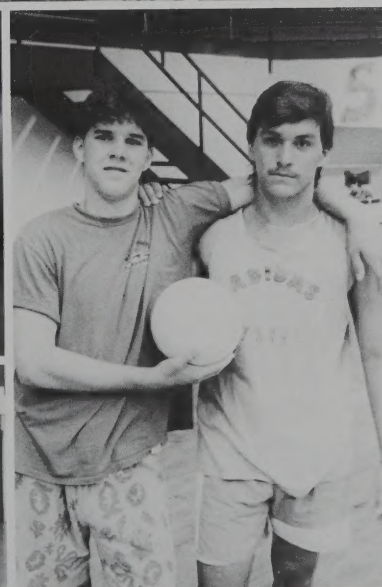

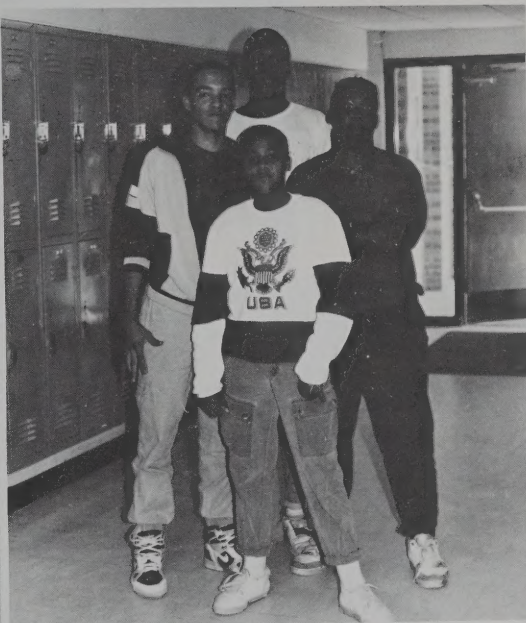

The Yearbook Staff and Student Body wish both Erica and Buddy continued success after graduation. This honor is only the beginning of many achievements of goals that will challenge both of you in the years to come.

A YEAR IN ... ADMINISTRATION/FACULTY

Superintendent

Dr. Roger Ogé

The Bay Senior High yearbook is really a place all of us get together. We record at least some aspects of a large number of the activities that represent life in high school — some of them unique to the Bay St. Louis and Waveland communities.

In being representative of ourselves and of our time, this yearbook provides a means of expanding the scope of our history. In the years to come those who were on campus in 1989 will compare what is now with what exists in 1999, 2010, and just think, for some, in 2050!

May this thought that you, students of 1989, could live into the latter half of the 21st century cause you to use your talents to better and better advantage today. May all of us be inspired anew to make our expenditures of mind and body yield lasting rewards for ourselves, our families, our friends, and our country. In so doing, we will continue to create yearbooks of our lives that will compare well with the finest ideals of our expectations.

Star Students

Star Teacher

Alan Fraser

Alan Fraser is the son of Mr. Barry Fraser and Mrs. Jewell Brown. Alan attended Ray Junior High (6-8) and has been at Ray High since his freshman year.

This Star Student has been a member of the Tiger Team Band all four years of high school. Alan received many awards awarded with his participation in the band — Chief Cook Clinic — 8, 10; Most Improved 9, 10; Solo & Ensemble Superior 9, 10, 11; Outstanding Musician 11; Best Captain 12; Musical Association Award from the Community Association 11; Section Leader 10, 11, 12. He is also very active in several clubs this year — YMCA, Business Club, Science Club, and Varsity Girls Basketball. Alan is a two year member of the National Honor Society and has been on the Alpha Honor Roll in grades 9-12. He was listed as a member of Who's Who Among American High School Students for Sophomore and Junior years. Georgia Institute of Technology is the college Alan plans to attend after graduation. He has chosen the field of Electrical/Electronic as his major.

Alan was asked why he chose Mrs. Smith as his Teacher, he stated, "I chose Mrs. Smith as my Teacher because of her dedication and her patience with her students."

Mrs. Carrie Smith

Mrs. Smith has been in teaching for fifteen years. She has taught at Ray Senior High for thirteen years. Her current English 12 and English 10 make up Mrs. Smith's teaching assignment this year. She received a BS with a major in English from Middle Tennessee.

The 1989 Star Teacher Award is now the first time Mrs. Smith has received this honor. She had received Star Teacher in 1979 and 1981. This "Star Teacher" has been honored by the American Legion Post in the St. Louis and Woodland and by the TFW Post in Ray. She is ready for her outstanding work with Classroom Chaperones. This year Mrs. Smith's students placed first and second in the American Legion Centennial Contest. Mrs. Smith has also worked with our Student Council for the past three years.

When asked how she felt about being chosen "Star Teacher" by Alan, Mrs. Smith stated, "Thank you Shakespeare. 'All the world's a stage' and to be chosen by Alan as Star Teacher honors me greatly for my contribution on my stage — the Classroom."

*Only one class ring can really fit you.
And JOSTENS has it.*

Your class ring should be as unique and special as you are. And it can be, when it's from Jostens. Because **you** choose the style, the stone, the decoration, the engraving—to create a class ring that is yours alone. Your own personal class ring from Jostens. No other can express who you are so exactly, or help you recall those special times so clearly.

JOSTENS: America's Most Popular Class Ring.
